Tenders are hereby invited for the exclusive privilege of the wholesale vend of ganja and any preparation thereof, except halva, throughout the Territories of Mysore, exclusive of the Civil and Military Station of Bangalore.

2. The contract will be for two years from 1st April 1887 to 31st March 1889.

3. Every tender must specify the minimum annual revenue which the tenderer will guarantee to Government and shall be for one lump sum exclusive of local cess for the whole Province. No tender which guarantees to Government less than a minimum annual revenue of Rs. 5,500 will be considered. Every tender must be accompanied by a deposit of Rs. 100 in cash and enclosed in a cover superscribed with the words "Tender for the exclusive privilege of wholesale vend of ganja and any preparation thereof, except halva, for all the Districts of the Mysore Province, excluding the Civil and Military Station of Bangalore."

4. The tenders must be delivered at the Dewan's Office at Bangalore on or before the noon of the 15th February 1887, when they will be opened by the Deputy Commissioner of Bangalore and the Chief Secretary in the presence of the applicants. The applicant whose tender may be selected by the Chief Secretary and the Deputy Commissioner of Bangalore for recommendation to Government will be required to deposit at once in cash or in Government securities duly endorsed in favor of "the Dewan of Mysore", a further sum equal to one-twelfth (or one month's instalment) of the annual amount guaranteed, failing which the deposit made with the tender will be forfeited, and the contract resold at the sole risk of the tenderer.

5. When the decision of the Government is announced, the deposits made by the applicants whose tenders have been rejected will be returned to them on their application. The Government reserves to itself the power of rejecting the highest or any tender without assigning any reason.

6. The party whose tender may be accepted shall, within eight days after the Government decision has been communicated to him, deposit with the Deputy Commissioner of Bangalore a sum in cash or Government securities duly endorsed in favor of "the Dewan of Mysore", which with the sums previously deposited under para 4 shall be equal to one-fourth of the yearly revenue guaranteed, and shall execute an agreement in the usual form on proper stamp, binding himself to conform to the conditions hereinafter set forth; and if he fails or refuses to sign the agreement, or to make the deposit required, the deposits already made will be forfeited to Government and the lease otherwise disposed of. No tender proposing any modification of any of the terms of this Notification will be considered.

7. Should the yearly sales of ganja and its preparations by the contractor to the licensed vendors exceed the guaranteed amount in any year, twenty-five per cent of such excess shall be duly paid over to Government with the last instalment payable for that year subject to the deductions set forth in Condition III below.

8. The contract for which tenders are now invited shall be subject to the following conditions, namely:—

Conditions.

I. The contract shall not be transferable, except with the approval of the Mysore Government.

II. For the purposes of this contract, Government may decline to recognize any representative, agent or partner appointed or taken by the contractors during the period of the contract, unless such representative, agent or partner shall have been first approved of by the Deputy Commissioner of the Bangalore District for the time being.

III. The minimum annual revenue guaranteed shall be paid by the contractor into the Bangalore District Treasury by equal monthly instalments together with local cess thereon, at the rate of one anna per rupee, on or before the 20th day of each month. With the last instalment due for the year shall be paid 25 per cent of the amount realized by excess sales over the guaranteed amount. The said 25 per cent shall be calculated on the net amount remaining to the contractors after defraying the minimum guaranteed amount (including local cess), the cost of the drugs to the contractors and all other legitimate expenses actually incurred in sending the drugs to their depôts. Should the said net amount however fall below Rs. 500, Government waives the right to recover any percentage thereon, provided the contractors carry out the terms of this Notification, the Excise Act, and the rules of Government fairly and uprightly without any evasion whatsoever. In case of default in the payment of any of the instalments as aforesaid, it shall be lawful, with the sanction of the Government, for the Deputy Commissioner of the Bangalore District for the time being to declare the deposit forfeited, to order the farm to be taken under Government management or dispose of it otherwise at the contractor's risk, or to declare the lease forfeited and to resell it at the contractor's risk and loss, and further to recover all arrears with interest at 6 per cent per annum by the attachment and sale of his property, personal or real, including cash at wholesale depôts, in accordance with the rules relating to the recovery of arrears of land revenue.

IV. The Deputy Commissioner shall be at liberty to make any alterations in the number and localities of the shops that he may from time to time consider necessary *on good and valid grounds existing therefor but not otherwise*, or

to close any shop without any claims for compensation on the part of the contractor in the manner and under the conditions set forth in Condition IX of this Notification.

V. To protect the contractor's rights and Government interests as well as to obviate inconvenience to the public, the following procedure will be adopted in dealing with the whole question of wholesale and retail shops for sale of ganja and its preparations (except halva) :—

(*a.*) Amildars will confirm all existing wholesale and retail shops without exception on 1st April 1887.

(*b.*) Amildars will, at once, comply with *bonâ fide* applications for shops at all Taluk kasabas, Hobli head-quarters, large towns and villages, and at such other places where there may be a demand for the drug.

(*c.*) In cases of doubt as to the necessity of opening a shop at any locality and invariably when an additional shop may be deemed necessary in the same place or within easy reach of another shop, the Head Supervisor should be consulted.

(*d.*) When the Head Supervisor deems it advisable to open a new shop at any particular place on departmental grounds, he will apply to the Amildar who shall at once comply with such requisition in anticipation of the Deputy Commissioner's approval and issue of license in due course.

(*e.*) The Amildar should at once comply with all applications for changes of names of vendors and locality of vend, and freely permit ganja shop-keepers to visit jatras and fairs as provided for in the retail license.

(*f.*) On the requisition of the contractor the Amildar may delegate a new vendor to conduct the business in any shop conjointly with the existing vendor, if good and valid grounds are adduced that any illicit practices are resorted to by the permanent shop-keeper, and confirm such new vendor if this suspicion is confirmed by sales made under such surveillance, provided the new vendor gives a statement that he has no connection with and will be under no obligations to the contractor, but will conduct the business as any other independent vendor. If he fails to comply, the Amildar will appoint an independent vendor to such shop. In all cases men of the village should be given preference.

(*g.*) No one shall hold a license or be appointed as a license-holder or vendor of any ganja shop who is directly or indirectly connected with, gives to, or receives any remuneration from, the contractors, their agents or employés in any way or under any circumstances whatsoever.

(*h.*) Amildars shall first grant permits to vend and then apply to Deputy Commissioners for license for all new shops opened.

(*i.*) The Amildars will, by 15th April 1887, furnish the Deputy Commissioner with a list of all shops opened, wholesale and retail, giving the No. and names of holders and vendors. A duplicate of this list shall be furnished by the same date to the Head Supervisor. Supplemental lists should be sent monthly to both the above officers in cases of new shops opened or when changes of vendors or localities are sanctioned by the Amildar.

VI. The contractor shall sell ganja and its preparations only to licensed vendors and shall not interfere with the retail vendors in any way.

VII. The ganja and majum and other preparations thereof sold shall be of good quality, not black or old or such as may have lost its medicinal virtues, and must be without stalks and seeds which should be removed before issue to retail vendors or equivalent weight of good ganja given for such stalks and seeds when returned by retail vendors and not be adulterated. Powdered ganja to the extent of 5 per cent only shall be taken by the vendors and no more. Such powdered ganja may be made up by the retail vendors into *halva*. The contractor shall always keep on hand not less than one month's supply of ganja at each depôt and two months' stock (exclusive of the stock at depôts) at the Provincial Head-quarters Depôt at the Bangalore Distillery.

VIII. All ganja and its preparations transferred from one District Depôt to another District Depôt shall be covered by a "Transport Pass" and when sent from one depôt to another in the same District by the "Contractor's Pass," both of which shall be in the forms prescribed, and the conditions thereof shall not be infringed and the number and date thereon shall be duly quoted in the depôt account against the entry of receipts in the depôt registers. The sales of ganja and its preparation made from the depôt to retail vendors shall be covered by a pass in the prescribed form signed by the contractors or their authorized agent, the conditions whereof shall not be infringed. The wholesale and retail prices per seer of 24 tolas for the whole Province are fixed as specified below :—

	Wholesale.			Retail.		
	Rs.	A.	P.	Rs.	A.	P.
Ganja ..	0	10	0	0	13	0
Majum or any other preparation of ganja, except halva ..	0	4	0	0	6	0

IX. The Deputy Commissioner shall have power to close any particular shop or shops on the requisition of the Military Authorities or Magistracy temporarily or permanently and the contractor shall not be entitled to any compensation therefor. But with the approval of the Deputy Commissioner the number so reduced might, if the public requirements demand it, be re-established in other adjacent towns or villages. Should the exigencies of the State require the closing of shops to any number below the complement opened in 1886—87 (which shall not be done except on good and valid grounds to be recorded in writing), the contractor shall, with the sanction of the Government, be granted proportionate compensation for the number so closed, the proportion being struck on the guaranteed amount paid for the number of shops licensed in that year, if it be proved that the contractors have sustained loss by such reduction in the number of shops but not otherwise.

X. No fee shall be levied for licenses for the retail vend of ganja except in the Towns of Bangalore and Mysore, where a fee of three rupees, and one rupee per mensem respectively shall be charged for each license. Licenses for the vend of opium shall be freely granted to vendors holding ganja licenses and *vice versa*.

XI. The Deputy Commissioner of Bangalore may permit the contractor to import ganja from beyond the Territories of Mysore under "Import" passes to be issued by him in communication with the authorities of the District from

which the article is to be imported, and such drugs with the passes granted shall be duly brought to book first at the Provincial Head-quarters Depôt at the Bangalore Government Central Distillery ere it is utilized or transferred to other subordinate depôts. The stock of drugs sent to one District shall not be transferred to another District to obviate complications in accounts; when transferred from a District Head-quarter Depôt to a Taluk Depôt in the same District, the Assistant Supervisor or Tester of the Range or District shall sign the certificate at foot of the "Contractor's Pass" after duly weighing the drugs before they are despatched. The conditions laid down in all passes shall be strictly observed by all concerned.

XII. The contractor shall render a true and correct account in duplicate of the sales at the wholesale depôts to the Deputy Commissioner, through the Head Supervisor, monthly, and allow the officers of the Excise Department free access always and at all times to all the accounts kept by the contractors which shall be true and accurate and in the forms prescribed by Government in Notification No. 229, dated 27th February 1885. And for the purposes of this contract the contractors shall open an account showing in detail the prime cost of the drug, cost of carriage by cart and rail, other charges, if any, and total cost of drugs, and cost per maund. The No. and date of transport or import pass should be quoted, and each item duly vouched for with original receipts, &c., duly numbered. The cost of establishment, contingencies, &c., shall also be given monthly *in detail*. A copy of this account shall be furnished to the Head Supervisor monthly, and the original accounts with vouchers shall be kept at the Provincial Head-quarters Depôt at the Bangalore Distillery.

XIII. Disorderly conduct and irregular transactions at the wholesale depôts shall not be permitted by the contractor's agents or employés. They shall be provided at the contractor's cost with correct scales and weights, the latter duly stamped by Government, and further all such employés shall, 15 days after the agreement is signed by the contractor, enter into engagements with the contractor to abide by the spirit and letter of the conditions entered into by the contractors with Government, and of the laws and rules in force, and such engagements shall be deposited for each District in the Deputy Commissioner's Office by the 20th of the said month without fail. Such employés shall take out wholesale licenses if employed to sell the drugs, or sign permits for the contractors. With the permission of the arrack renters, all wholesale vendors of arrack may be employed as wholesale vendors of ganja and paid such commission on the sales as shall be fixed by the Head Supervisor, Government Distillery, not exceeding one anna per seer sold by them. All ganja and majum remaining on hand on the 1st April 1887 at the Head-quarters Depôt and all wholesale depôts shall be made over, if of good quality and fit for use, to the new contractor who shall take them over at an average rate of price struck on the rate entered in the accounts kept under Condition XII of this Notification, plus interest at 12 per cent per annum on the value of the drugs so transferred. The old contractors shall make over and the new contractors shall take over all scales and weights at the Head-quarters and other depôts, if correct and in good order, at a valuation to be fixed by the Deputy Commissioner.

XIV. The contractors shall be required to conform to any additional rules which may be prescribed from time to time by the Government, and abide by those laid down in the agreement and notified by Government in their Notification No. 229 of the 27th February 1885, especially those contained in the wholesale license rules, and for the preparation and submission of accounts and the obtaining of import and transport passes and the issue of passes by themselves and on other points therein specified. Copies of the Rules can be had access to at the District Office between 11 A. M. and 5 P. M. daily. Information on any other matters in connection with this contract will also be afforded thereat or by the Head Supervisor, Government Distillery, Bangalore.

XV. The contractor can raise his own ganja on applying for and holding a Government patta to be granted by the Amildar, the conditions whereof shall be strictly adhered to. The cultivation of the drug otherwise by the contractor or any one else all over the Province shall be and is hereby interdicted.

XVI. For any infringement of the above conditions, the contractors shall be liable to a fine not exceeding Rs. 500 to be levied at the discretion of the Deputy Commissioner and to a forfeiture of their contract with the approval of Government if deemed necessary, and to such further penalties as are prescribed by the laws in force for breaches thereof or of the rules framed by Government.
